

Annual Report

1. As a regular practice followed every year, this session began with the Orientation Program for the parents of the students of classes Pre-Primary to VIII. The program made the parents aware of the scheme of education we impart here at our school. Query-resolving session by a child psychologist illuminated the path of positive parenting.

2. Keeping ourselves up with the pace of the modern world, Complete Digitization of the school was undertaken which transformed the entire school chores channel through the Information Technology, bringing in more transparency and enhanced communication with parents and community.

3. Having the school completely digitized has innumerable advantages to the parents, teachers and the school itself. - Parents can keep a real-time track of the status of their child for Daily Attendance, Fee status, Periodic Results, School Circulars and News, etc. through the SCHOOL APP and through the WEB PORTAL.

- Parents have a direct access to communicate with the Class-Teacher for regular update of their child and the cases which need their personal attention can be escalated directly to them through the provision of Communicate in School App.

- Parents and teachers have been brought closer as this software provide a direct upload of the daily homework on the School App parallel to what's given in the classroom, so that parents too are apprised of the daily homework given in classroom and the same can be enforced at the parents' end too.

4. As a new endeavor, we took a giant leap in the examination procedure this year by replacing the conventional regime of manually prepared Reports-cards by the teachers with Computer Generated Report-Cards. This transformation minimized the efforts of the teachers to manually fill in the Report-Cards all by themselves.

5. With the sole purpose of updating teachers' knowledge, the school hosted a series of Teachers' Workshops. It was an attempt which inclusively engulfed various significant aspects like Moral Values, Life Skills by CBSE, Meditation & Stress Management, English Language and Mathematics.

6. To take part is what counts in competition and lessons of victory and defeat are what we get in return. This environment was sufficiently created through inter-house and inter-class competitions such as debates, Vad-Vivaad Pratiyogita, Shlok Competition, Quiz, Rangoli, Creative-Writing, Drawing and Power-Point competitions. Our students took part in various inter-school and zonal level Competitions.

7. I take pride to mention that Our School Band made a prestigious appearance in the Annual Day Celebration.

8. Teacher's Day Celebration took a rare turn this year all our teachers and students jointly took the celebration to a whole new level through their astounding performances.

9. End of November witnessed a magnanimous evening where the school celebrated its Annual Day Program which gave the students an amazing opportunity to showcase their potential.

10. To outlet the steam of caliber of our students in the field of science, IT, Art and Social Science, Science Exhibition was organized.

11. Conforming to the guidelines from Directorate of Education & CBSE and to disseminate the message of a better habitable environment free of Pollution, an Anti-Cracker Rally by our students was taken out in the nearby areas. With the same thought, Cleanliness Drive under the program of Swachh Bharat Abhiyan was undertaken in the month of November where all the staff members and students cleaned the school premises and proximate areas.

12. Promoting the harmony across all communities, Special Assemblies are conducted on a regular basis where all the Festivals irrespective of the religion & following are fondly celebrated.

13. Towards the end, I thank the supportive management whose continuous support to our ideology of education has enabled the school to come this far. Teachers and the entire staff members also deserve applause for their tireless efforts in implementing the route map of imparting quality education here. I also extend my heartfelt thanks to the parents of our students who have shown unflinching faith in us by giving us the profound opportunity to transform their children into truly useful citizens of the future world.

With that, let us foresee a world of universal singularity where our children are going to be the propellant of this change and the world shall be a beautiful place to live in..!!! Thank you very much!!!!
